-Mary Kay Ash

Here is what to say:

I don't know if you are aware of this, I am now teaching skin care and makeup artistry with Mary Kay. I have a challenge to sell 25 items in one week to win this gorgeous ring. I was wondering if you would look through my sheet and see if there is anything that interests you. It is OK if you don't find anything. Can I make a couple of suggestions? (You want to recommend 3 products - look at your friend and see what she might need or value - for example, if she wears mascara, we have this wonderful makeup remover that Good Housekeeping has recommended as the #1 Eye Makeup Remover - for 15. The Ultimate Mascara - makes your lashes look like false lashes - for 15, etc.) Oh by the way, I have some specials - when you spend \$50 you get one Lipstick or Lip Gloss of your choice @ 1/2 price. When you spend 100, you get a \$20 gift certificate that you can use at your facial with me.
