

How to:

Set up Your Website

Step One:

Step Two:

Step Three:

Log into InTouch
mk.marykaintouch.com

Click "Sign Up Now" to begin
creating your account!

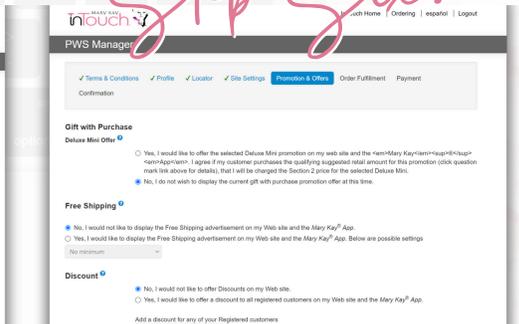

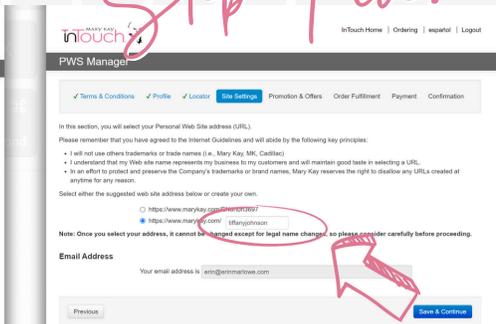

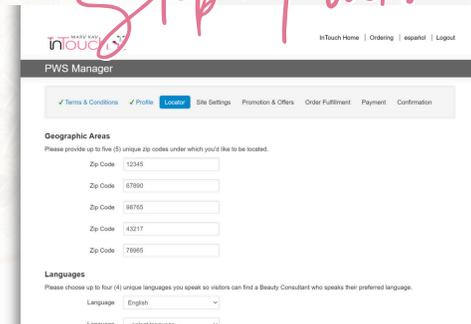

After accepting the terms, fill out
your info. Adding a quality picture is
important to appeal to new
customers AND help your
family/friends recognize you!

Business Tools > Personal Web Site
Manager > Check out PWS Manager

Step Four:

Step Five:

Step Six:

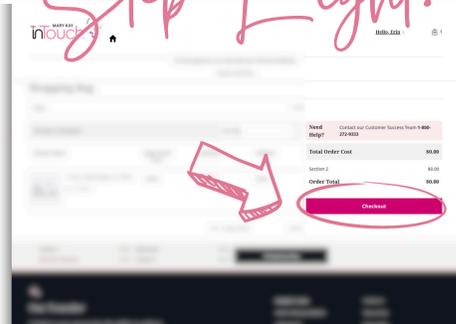

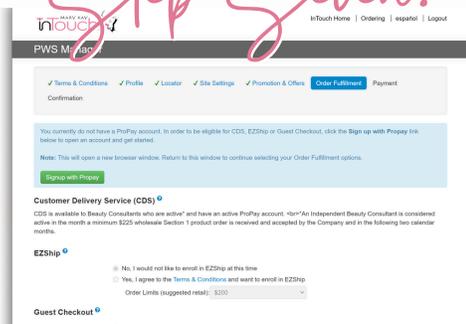

To help potential customers find you,
add your zip code along with your
surrounding towns (Google can help!)

IMPORTANT:
Choose your url with care as it
cannot be changed. Ideally, this
should include your initials or name.

Customize your Promotions.
I suggest Free shipping for \$100+
orders, no gifts with purchase or
samples (send on your own), and
saying YES to Beaut-E-News.

Step Seven:

Step Eight:

If you plan to keep an inventory, turn
EZShip and Guest Checkout OFF so
you can personally fulfill your orders.

You're all set! Click "Checkout" to
publish your website at no cost to
you for your first year.
