For AM, when using the TimeWise Repair® Volu-Fill® Deep Wrinkle Filler, follow with a sunscreen product. Thus, we recommend applying the TimeWise® Age Minimize 3D™ Day Cream SPF 30 * AFTER the Wrinkle Filler. While daily and effective broad spectrum sun protection is an essential part of any skin care program, it is *especially important* when using a product that contains retinol.

**Restore what was lost,
and lift away the years.**

- Reduce the look of deep lines and wrinkles.
- Restores a lifted appearance.
- Recaptures the look of youthful volume.

Get ready for a new kind of Miracle

Skin has natural defenses to help protect itself and recover from damage. But day after day, your skin is exposed to environmental stressors that can overwhelm its defenses and speed up visible skin aging. The TimeWise® Miracle Set® is specifically designed to **reset the pace** of skin's visible aging. Available in skin-specific formulas, this set *defends* the skin from age-accelerating free radicals, *delays* the look of premature skin aging with broad spectrum UVA/UVB protection, and *delivers* visible improvement of multiple signs of skin aging.

TIMEWISE®

The TimeWise 3D® Complex powers each piece of the Miracle Set!

to keep skin plump and resilient.

COLLAGEN starts to deplete as we age. Beginning in your 20s, you produce approximately 1% less collagen in the skin every year – year after year! An **age-defying peptide** supports skin's natural collagen and elastin, to help improve the look of fine lines, wrinkles, and helping

well-known brightening superpower, reinforce the look of damage. Daily SPF protection along with **Vitamin B3**, a

ANTIOXIDANTS fight free radicals, which are known to accelerate the look of skin aging and are caused by environmental factors. The **encapsulated resveratrol** found in the TimeWise 3D® Complex provides triple antioxidant benefits.¹

This scientifically proven, extensively researched and effective complex provides three critical dimensions of skin support. Think of it as the ABCs for skin:

Did you know that only 20% of most visible skin aging is from the natural aging process? The rest? You can help protect against.

In one day, hydration is boosted and skin feels soft.²

In 2 weeks, fine lines start to fade, wrinkles start to soften and skin's firmness begins to improve.²

In 4 weeks, results continue to get better, while adding improved radiance, skin texture and overall appearance.²

In 5 weeks, skin's healthy glow is re-energized and skin feels more resilient.²

After 12 weeks:²

98% of panelists had a 37% improvement in the appearance of fine lines.

98% of panelists had a 51% increase in skin firmness.

78% of panelists had a 20% improvement in the appearance of wrinkles.

Reset the pace of skin's visible aging.

4-IN-1 CLEANSER in formulas for Normal/Dry and Combination/Oily skin, this product accomplishes four essential skin-care steps in one;

Thoroughly *Cleanses*
Immediately *Refreshes*
Gently *Exfoliates*
and *Brightens*

ANTIOXIDANT MOISTURIZER is available in a replenishing Normal/Dry formula for skin that feels nourished, or a nongreasy Combination/Oily formula to help keep skin feeling balanced.

This antioxidant rich moisturizer helps reduce the look of fine lines and improves skin firmness and *hydrates* for up to 12 hours.³

DAYTIME DEFENDER protects skin from harmful UV rays with a Defender Sunscreen Broad Spectrum SPF 30⁴ and includes *prickly pear extract* to help strengthen¹ skin's moisture barrier, critical for helping keep good things in your skin and bad things out.

NIGHTTIME RECOVERY works when skin is most able to recover what can be depleted during the day. With an additional antioxidant boost from *chamomile extract*, this effective nighttime ingredient is known to help bring a soothing calm¹ to skin while you sleep.

Special Nutribeads® Duo suspended in the formula feature resveratrol (pearl beads) and a blend of vitamin derivatives (pink beads). These cellulose beads burst when dispensed through the pump to release the ingredients fresh to your skin.

EYE CREAM helps improve multiple signs of visible skin aging and fatigue, including fine lines, dullness, firmness and texture. It contains *algae extract*, which helps prevent under-eye puffiness¹ and helps reduce the pigment that contributes to the look of dark circles.¹

Skin behaves differently during the day than it does at night, and your skin care should too. During the day, it needs to be protected from the sun and environmental stressors. At night, skin works to repair and recover from the day.
